**RE-REGISTRATION OF MEMBERS**  
**FOR ACCESS TO THE JOHORE BAR WEBSITE**

For the past month or so we have been facing various problems with our Johore Bar website. We have been informed by our web administrator that this is due to a "DDOS attack" on our website. The website is down at the moment, but it should be up and running by end of this week.

The web administrator has advised the Committee to re-register all our members who wish to access the website as such a re-registration exercise may significantly protect our website from hackers or other unwanted intruders.

We seek members' co-operation and assistance to resubmit their registration for access to the Johore Bar website as soon as the website is up and running.

All re-registrations will be approved by the Committee as soon as possible.

Thank you for your co-operation and any inconvenience caused is regretted.
