

SHARIAH SUB-COMMITTEE REPORT

Noor Atiqah binti Mohd Thaib Teoh
Chairperson

2020 has been a very challenging year for all of us as our country has been fighting with the global disease of Corona Virus (Covid-19). With that our government had started imposing many guidelines and restrictions in order to minimize the impact of Covid-19. Due to that physical seminars/talks are not allowed to be conducted as we had previously.

Despite of such restrictions and SOPs, the Shariah Sub-Committee in collaboration with the Publication & Information Technology and Continuing Professional Development Sub-Committees has managed to organize the following webinars:-

1. 24.07.2020
Topic: SYARIAH ESTATE PLANNING – FARAID AND LAW OF INHERITANCE FOR MUSLIM
Speaker: Tuan Haji Mukhtar Bin Abdullah
2. 27.01.2021
Topic: THE CONCEPT OF LAW OF GIFT IN ISLAMIC LAW AND LAW OF CONTRACT
Speaker: Puan Hjh Napisah Binti Narikkodan Mammoo

The Sub-Committee always welcome the members' comments and feedback on the Sub-Committee's activities so that more activities can be organized in the future. I would like to record my utmost gratitude and appreciation to the Committee Members for all the help and support throughout the year.
